

Bloom Board Coordinator

General description:

The Bloom Board Coordinator is responsible for updating and maintaining the information and condition of the Bloom Board. The Bloom Board depicts flowers currently in bloom at SDBG and is located in front of the gift shop.

Duties:

1. Photograph plants in bloom and in new exhibits
2. Develop and print photos
3. Create respective labels
4. Update and maintain Bloom Board display monthly. Post photographs and labels, and clean as necessary.

Specific Skills:

1. Photographic and computer skills necessary to photograph and provide print photos of plants and flowers
2. Ability to visit SDBG monthly to update and maintain Bloom Board
3. Ownership of a camera and ability to cover costs associated with development of photographs required

Time Required:

Minimum of 6 hours per month

Recommended Term:

Two years
